BIANCA MESA ORTEGA
FRONT-END DEVELOPER

About me

I am a **passionate** junior **front-end** developer with **back-end** knowledge. I enjoy working in **collaborative** and **innovative** teams where I can continue **learning** and **growing**. I am **creative** and naturally **curious**. I love **English** and incorporate it into many aspects of my life. I am **dedicated** and bring **quality** to my work. Additionally, I have cultivated **serenity** and **patience** because experience has taught me that **progress** is achieved step by step. I am constantly seeking to **improve myself** and **contribute** to every project I undertake in a meaningful way. I love the world of **React** and enjoy learning new **libraries and frameworks** to optimize web applications.
